# STARTS ON JUNE 21 ENDS ON AUG. 11

— This is a pilot program run by the Florida Department of Transportation, Broward County Traffic Engineering and the Town of Lauderdale-By-The-Sea.

— The program requires **all** vehicle traffic to stop **once each signal cycle**, giving pedestrians time to cross the intersection in any direction.

— During this all way stop, **No Right Turns on Red** are allowed for vehicles.

— This pilot program will run for eight weeks on weekends only. It starts at 6PM on Fridays and ends at midnight on Sundays.

— Broward Sheriff's Office deputies will staff the intersection at various times to help educate pedestrians and drivers about how the operation works.
